

CNA NetProtect® (Information Risk Liability)

All banks are exposed to information risks such as lost data due to dishonest insiders or network attacks. CNA NetProtect® products are designed to address specific information risks present in today's fast paced business environment.

Available coverages:

Privacy Liability and related coverage

- Covers unauthorized use or disclosure of both private and commercially sensitive information, the costs to comply with privacy breach notification laws and defense of "Privacy Regulatory Proceedings" alleging failure to comply with privacy laws.

Security Liability

- Covers a customer's inability to use or access a bank's network and damage to third-party networks caused by the insured.

Content Injury Liability

- Covers defamation, disparagement, false light and infringement with regards to all forms of computer readable content, including software or other publications on CD-ROMs, not just information on an insured's Web site.

Network Extortion

- Will pay amounts demanded by an extortionist to prevent a network attack or threat of network attack or release of confidential data.

Network Loss or Damage

- Will pay costs to recreate or restore a bank's network to pre-loss condition.

Information Risk Liability includes coverage for the following:

- Protection for enterprise wide information both online and offline, not just information on your Web sites
- Security breaches due to virus attacks or a hacking event resulting in identity theft or a loss of private information
- Unauthorized use of information including disclosure of private information by employees or third parties for whom an insured is responsible
- Infringing or disparaging online content

Market focus:

Commercial banks, savings and loan associations, savings banks and credit unions with assets up to \$3 billion.

Additional details:

- Our menu-based policy form allows a bank to design and choose coverages that address their unique exposures
- Limits up to \$10,000,000 are available for qualified insureds
- Coverage is available to FDIC and NCUA insured banks located in all 50 states, U.S territories and possessions

Applying for coverage:

1. Applications are available on our Web site at www.cna.com/agentcenter, or contact us at 312-822-4831. We can also quote using competitors' applications.
2. Upon receiving all pertinent underwriting information, turnaround time is typically five business days.

For more information, contact your community bank underwriter or visit www.cna.com/financialinstitutions.
